Valentine Gifts

for Traveling Pet Parents

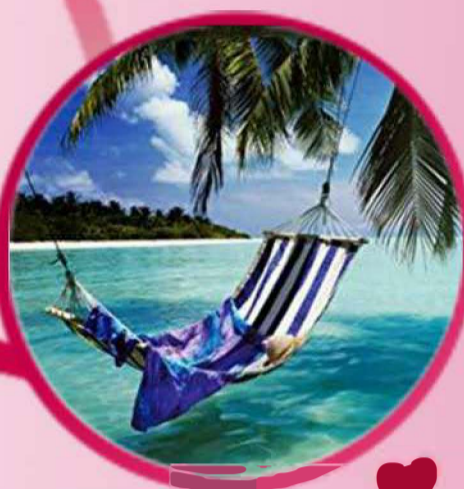

Customized Maps

Build your love story with a customized hand drawn map of where you both met for the first time.

Hammock

If you are someone who loves spending time outdoors, then this is it. Be it camping, trekking or a beach vacation - This super-packable portable hammock will save your day.

RV Pet Temperature Monitor

Does the temperature bother you when you leave your pet unattended in the car or RV? Purchase a pet monitor and gift yourself the peace of mind while traveling.

Camp Stove

Buy a stove that runs on multiple fuels so you don't have to worry about finding white gas in remote locations.

Cosmetics

Have you ever seen how difficult it is for a woman to pack her makeup essentials while going on a trip? Spend some time, research and surprise her with a make up set from the brand she uses.

Instant Film Camera

Go old school and get him/her an instant film camera. Start capturing your travels together in a flash.

Rechargeable Headlamp

This is of a great use when go on a trek, or the power goes out. Headlamps (preferably USB-chargeable) are more powerful than your phone light and it keeps your hands free.

Waggle
